## Bainbridge Island LODGING GUIDE

### Sleep on an Island.

Whether you're looking for a modern, convenient hotel or a romantic cottage on the beach, you'll discover the lodging you want on Bainbridge.

If you like peace and quiet, picture yourself in a perfect private retreat surrounded by acres and acres of woods. If you want to be near restaurants and shopping, check into an inn or hotel around downtown Winslow. And if you want understated elegance and panoramic views of water and mountains, move up to a B&B high on a cliff.

Come pamper yourself. Wake up to the warmth of a fireplace at the foot of your bed. Treat yourself to a gourmet breakfast. Have coffee in the middle of a lovely garden. Take a leisurely stroll on the beach just steps from your front door. Relax in your own hot tub while gazing at the stars.

There are all kinds of ways to savor the charm and character of Bainbridge. Stay a while and see.
